THE BALI COLLECTION TRUNK SHOW AGREEMENT - CANADA - 2008

(To reserve, print page 3 and fax to our office)

A trunk show is the easiest way possible for you to introduce our products, inspire your customers and boost sales while promoting *The Bali Collection* pattern line and The Batik Butik fabric. There is no charge for this service but there are some stipulations that must be agreed to.

Reserve early. Having a special event or sale? Why not arrange the loan to coincide? Or consider using our patterns for beginners sewing classes.

There is no cost for this service but quality, *28 patterns must be ordered* at a cost of \$7 US each, plus shipping. To maximize interest, you may want to order some or all of the fabric that was used in the garments for sale in your shop. That way your customers can "duplicate" the look if they like what they see on display. Please order your fabric well in advance of your borrow dates.

Before displaying garments they must be touched up with an iron or steamed making them presentable and showing them in their best light. Iron dark-colored rayon from the wrong side of the fabric or with a Teflon iron shoe on the "wool" steam setting. Any garments soiled while in your possession must be hand-washed and hung to dry, then pressed before either displaying or sending to the next shop. If an item is damaged while in your possession, please let us know so we can take care of it.

IMPORTANT: For health reasons and to keep them in their best possible condition, *these garments may not be tried on or worn* - this is *not* a fashion/style show - *the samples are for display purposes only*.

There are specific loan dates and collections may be kept for two business weeks; this is negotiable. You will be told where to ship the garments - this is your financial responsibility. Please ship *promptly* and *insure the package for \$1200 Cdn*. Tracking information may be required.

The grey foam display hangers, black plastic pant hangers and all packing material (tissue and/or plastic bags) must be sent on with the garments. For shipping, garments should be carefully folded and wrapped to reduce wrinkling. We hope you enjoy displaying our Trunk Show garments and they inspire your customers and your staff to create a comfortable wardrobe from our rayon batik fabrics.

If you have any questions or would like to book, please call our office toll-free at 866-658-2612. Thank you!
